

DEREK BROWN

Creative problem solver with honed experience, tenacious work ethic, reliable technical ability, and a team-player attitude. Seeking a work environment where I can create things that make a positive impact and continue to unravel new challenges.

WORK EXPERIENCE

MOTION DESIGNER

NEBULA

08/2021 - 06/2025 (Remote - Richmond, VA)

- Created thousands of tightly cut edits, polished animations, and charming assets, for streaming content on Nebula and Youtube
- Met weekly deadlines in a fast paced, multitasking environment
- Interfaced with clients to plan projects and produce their vision
- Collaborated with other designers in order to ensure shots and styles are meeting consistent guidelines across multiple shows and channels
- Exported and QC'd videos while maintaining appropriate file organization
- Trained in new animators and foster a creative and safe studio environment

GRAPHICS SPECIALIST

MAXIMUS INC.

11/2020 - 08/2021 (Reston, VA)

- Drafted graphic assets for use in proposal documents
- Created animated breakdowns for international client pitches
- Worked with writers to integrate graphics in opportune areas to create cohesive proposals with narrative weight

MOTION GRAPHICS ARTIST

PWR HOUSE CONSULTING

12/2019 - 11/2020 (Alexandria, VA)

- Edited video and audio while displaying a strong sense of timing.
- Collaborated with other editors and artists in the production pipeline to produce ads with fully realized and engaging narratives
- Produced and contributed to over one hundred broadcast TV ads, four music videos, three podcasts, and a web series
- Created hand drawn animations and polished CGI graphics under quick turnaround deadlines
- Storyboarded scripts into timed animatics for client pitches as well as for reference use by DP on set
- Operated cinema cameras on live sets, displaying concrete understanding of different shot types and camera movements.
